

## Errata

CLEMENT-SPYCHALA, M. E., COUPER, D., ZHU, H., and MULLER, K. E. (2010). Approximating the Geisser-Greenhouse sphericity estimator and its applications to diffusion tensor imaging. *Statistics and Its Interface* **3** 81–90

**Acknowledgement:** This research was supported by NIDCR U54-DE019261 (Muller), NCRR K30-RR022258 (Muller), NHLBI R01-HL091005 (Muller), and NIAAA R01-AA016549 (Muller).

CHI, Y.-Y. and MULLER, K. E. (2010). Using scientifically and statistically sufficient statistics in comparing image segmentations. *Statistics and Its Interface* **3** 91–101

**Acknowledgement:** Supported in part by a University of Florida CTSI core grant to Chi and Muller. Chi's support includes NINDS R21-NS065098. Muller's support includes NIDCR U54-DE019261, NCRR K30-RR022258, NHLBI R01-HL091005, and NIAAA R01-AA016549.
