Erratum:

In the December 2018 issue of this journal (vol. 6, no. 2), the article "Fields Medalists of ICM 2018" was erroneously credited as an excerpt of news released by the International Mathematical Union (IMU), and incorrectly attributed to Allyn Jackson.

In fact, the article consists of the long versions of the citations of the 2018 Fields Medalists, which were prepared by the Fields Medal committee.
